

### TeamLease Comments ...

Functionality required carrying out Auto Transfer of P.F. accumulations of a member on change of employment has been launched in Unified Portal. Via the EPFO letter dated 15<sup>th</sup> Nov 2017

EPFO provides facility for auto transfer of PF accumulations provided,

- a. The Aadhaar number of the member must have been seeded and verified against the UAN at the previous establishment level.
- b. Member's details like date of joining date of exit and reason of exit should be available in respect of previous employment.
- c. UAN is activated and Mobile number is available.

The auto transfer facility will be initiated post the first contribution is made of the new joinee with the UAN tagged and **flagged for Auto Transfer** by the Employer.

An SMS/e-mail (If registered) will be triggered from the EPFO system to member.

A facility is also made available to the members to Stop the auto transfer facility initiated by the New Employer while tagging the UAN.

To initiate the process, Employee can log into the EPFO portal under the Online Services tab – Member Portal - Track Claim Status - Stop Auto Initiated Claim Cases- within 10 days of receipt of SMS from EPFO.

In case of non- receipt of Stop Transfer request with in stipulated 10 days; the claims get reconciled and moved to the regular process of transfer.

Various checks and scenarios are considered before the auto transfer gets initiated which can be referred from Page 3 of the above said circular. Attached notifications are for your reference. Please do ensure the adherence of submissions to the concerned authorities and the displays are in place.
